

Acres of Fun Childminding

Care, Learning and Play Policy

Children learn when they are in a safe and caring environment where they are stimulated through play.

Babies and young children develop best when they are in a caring relationship with an adult.

I will strive to provide your child with an environment that will be caring, fun and stimulating.

I will provide activities that support the 6 areas of learning as stipulated in the EYFS framework.

I will regularly observe your child and make a written record. This will enable me to make very simple plans on how I can help your child move onto the next stage of their development. These records are available for you to look at anytime.

If there is a particular activity that you would like me to do with your child, please let me know. I am very happy to support activities that you are doing at home or events that have happened.
